THE COACHING STAFF

PAUL "Busch" GROSS, Director of Athletics, who piloted the Fort Hays State basketball teams for sixteen years is acting chairman of the Health and Physical Education, Director of Athletics and Men's Physical Education. He is also assisting Coach Huffman with football.

Gross entered Fort Hays State as a Freshman in 1917, served in World War I, and graduated in 1922 after starring in football and basketball for his Alma Mater. "Busch" holds a Bachelor's degree from Fort Hays State and a Master's degree from the University of Missouri. After receiving his Bachelor's degree, he coached a year at LaCrosse, one at Howard, and six years at Augusta where he turned out championship teams.

Gross came back to his Alma Mater as Head Basketball Coach in 1930. His teams have tied for the conference title twice and have been in the second spot many times. "Busch's" teams were near the top consistently.

RALPH "Red" HUFFMAN, Head Coach, moves into his second year as head man at Fort Hays State. Taking over after a war-time lay-off last fall "Red" found himself faced with the task of completely re-building the Tiger eleven. This fall he hopes to take up where he left off last season. The 1947 edition promises to be a good one.

"Red" was named all-conference and all-state football center the fall of 1936. After receiving his degree in 1937, he coached for two years at Atwood High School and then three years at Dodge City Junior College. In 1942, he received his Master's degree from the University of Missouri. That fall, he became a member of the physical education and coaching staff at Fort Hays State. In 1943-44, "Red" served on the physical education staff in the Army Aviation program here at the college. In the fall of 1945, he joined the coaching staff at the University of Kansas where he was line coach in football.

Coach Huffman is married and has two sons, Dave and Don.

ALEX FRANCIS, Backfield Coach, also serves as Head Track Coach. He returned to his Alma Mater in September of 1946 in this capacity. His track team annexed the Conference Crown during his first season as head track coach. This is the first track title in the history of the school.

Francis, a star place-kicker in football, was graduated from Fort Hays State in 1935 and received his Master's degree from the University of Missouri in 1940. Alex coached football and track at Mankato, Holton, Oberlin, and Abilene high schools. He was discharged from the Army Air Corps with the rank of Captain, where he was a physical training instructor. Besides his coaching and teaching duties, Alex is director of the Men's Intramural program here at the college.

Coach Francis is married and has two sons, Mike and John.

CADE SURAN, End Coach, also serves as Head Basketball Coach. He assumed the head basketball coaching duties a year ago. During his first year as head mentor he instilled his brand of ball into the Tiger squad which carried his team to a successful season.

Suran attended high school in Kipp, Kansas. He later was enrolled for a time at Emporia State Teachers College. He then attended Kansas Wesleyan University and was a varsity forward four years. He was high scorer in the Kansas Conference in his Sophomore and Junior years and was captain of the all-conference team when he was a junior. He coached five years at Downs and in 1937 his team was runner-up in the state Class "B" basketball championship. In 1938, Downs won the state title. He then coached for five years at Wellington. In his third year there, Wellington won the Ark Valley Championship for the first time in the school's history. In 1946, his team took third in the state class "AA" Championship.

Coach Suran is married and has two daughters, Sue and Kay.

1947 TIGER PROSPECTS

On the night of September 20, the 1947 Gold and Black Grid-men will trot on the field to uphold the worthy name of their school. Their opponent will be Kansas Wesleyan University at Salina. Then, for nine straight weekends the Fort Hays State Tigers will meet some of the strongest teams in the mid-western area.

This is "Red" Huffman, the Tiger ringmaster speaking, "Without a doubt the race this year in the Central Conference will be one of the toughest in the history of the loop. Southwestern College, the defending champion of 1946 will be strong again this fall. Washburn, a powerhouse last fall and a pre-season favorite by many, will be doubly strong. St. Benedicts, Pittsburg State, and Emporia State are sure to be in there fighting it out all the way. Just where this puts the 1947 Tiger remains a question mark." Coach Huffman points out, however, that Fort Hays State will be tough this fall and should prove to be a full assignment for each club they meet.

Let's take a look at the line candidates. Paul Andree, 2nd all-conference center a year ago, returns with more weight and experience. He will be aided by Don "Gabby" Davis, Roger Brown. The guard slots will be filled by such men as Stull, Murphy, Wentz, Campbell, Skubal, Mahoney, Harman and others. At tackle there seems to be plenty of weight. Big Joe Jellison, All-conference choice last fall, is sure to see a lot of action. Other tackles not to be overlooked are Guthrie, Balding, Roemer, Mlynar, and Rathbun. On the wing spots will be found such familiar names as Johnston, Leuszler, Bartlett, Rolfs, Nichol, Dixon, Bray, and Cleveland.

Fort Hays State boasts a rare set of halfbacks in Jack Hague and Rex Marxmiller (the two red-heads), Glen Lowe, Don Hertel, and Bill Nixon. These lads played great ball in their first season last fall; and, should know where the double stripe is this season. Quarter-backing duties will be held by

Al Billinger, popular Hays Athlete and excellent passer, and Bob Faurot, sturdy 190-pounder. Fullbacking will be the job of Lew Comer and Vint King. Comer is known for his snap and drive for a small man, while King is a good kicker.

To bolster the above mentioned candidates a host of Freshmen will prove their worth as the 1947 squad takes shape. Many believe that this year will be a great year for the Fort Hays State Tiger. The coaches are making no positive statements as yet. They have their fingers crossed and are keeping mum. Maybe this is a good sign.
